~ Top 19 machine tool builders in Taiwan 18/May/2015

## Victor Taichung Group is ranked no.6 on M/T sales in 2014

According to this year's issue of the *Common Wealth* magazine released on 13<sup>th</sup> May 2015, 19 machine tool builders are ranked in the top 2000 Taiwanese enterprises this year (18 builders last year 2012.) **Victor Taichung Machinery drops to the 6<sup>th</sup> position in 2015** because LITZ received big batch orders on tapping centers because of smart phone and pads.

Started since 2006, the sales turnover has been requested to *include all the sales of "share owned subsidiaries or group companies"* so this statistics shows the manufacturing capacity for different groups in Taiwan. In addition, the new financial standard "IFRS" (International Financial Reporting Standards) is applied to Taiwanese public licensed companies since 2013 so it is more and more difficult to identify the sales ranking for the individual company since the sales could be duplicated between companies in the same group.
