~ Top 16 machine tool builders in Taiwan 6/June/2016

Victor Taichung Group is ranked no.5 on M/T sales in 2015

According to this year's issue of the *Common Wealth* magazine released on 11th May 2016, 16 machine tool builders are ranked in the top 2000 Taiwanese enterprises this year (19 builders last year 2014.) **Victor Taichung Machinery rises up to the 5th position in 2015** bypassing LITZ.

Started since 2006, the sales turnover has been requested to *include all the sales of "share owned subsidiaries or group companies"* so this statistics shows the manufacturing capacity for different groups in Taiwan. In addition, the new financial standard "IFRS" (International Financial Reporting Standards) is applied to Taiwanese public licensed companies since 2013 so it is more and more difficult to identify the sales ranking for the individual company since the sales could be duplicated between companies in the same group.
