~ Top 15 machine tool builders in Taiwan 13/May/2019

Victor Taichung Group is ranked no.3 on M/T sales in 2018

According to this year's issue of the *Common Wealth* magazine released on 8th May 2019, 15 machine tool builders are ranked in the top 1350 Taiwanese enterprises this year (15 builders last year 2018.) **Victor Taichung Machinery remains the 3rd position in 2018.**

Started since 2006, the sales turnover has been requested to *include all the sales of "share owned subsidiaries or group companies"* so this statistics shows the manufacturing capacity for different groups in Taiwan. In addition, the new financial standard "IFRS" (International Financial Reporting Standards) is applied to Taiwanese public licensed companies since 2013 so it is more and more difficult to identify the sales ranking for the individual company since the sales could be duplicated between companies in the same group.
